7. Suggested Topics

Anna: keeping a spot free for a new player in the tournaments?

- Berit: one tournament with only new players (Frühlingspokal, spring cup)?
- Remi: when we have enough players, then it's a pity to leave these middle experienced players out in favour of new players. Defaults to choosing the players that come to training and then the ones who are better skill-wise
- Mirka: unlikely that we will have to make that choice since we usually don't have that many players
- Sebi: we can also offer pool players if we have too many

8. Vorstand topics?

Frauen Rugby Arbeitstagung (Mirka): New game system for 15s, Hamburg and Hannover will join

Fightclub: won't happen

Hanna H. is moving away ;,(

Do we want to watch the world cup in England (starts on 22 of August)

SpielerPlus: use itttttttt, not only 1h before. Remind new players to do it more consistently
